6:30 p.m.-8:30 p.m.

Does your child

- have difficulty following directions?
- struggle with responding to questions?
- have reading, spelling, writing, or other speech-language difficulties?
- misunderstand jokes, riddles, and sarcasm?
- get lost within a conversation?

These are just a few of the characteristics of a processing disorders!

Come join us for this interactive forum and learn strategies and modifications to help your child be successful within a variety of environments.

**RSVP's are appreciated but not required to [norwoodsepac@gmail.com](mailto:norwoodsepac@gmail.com)**
