Use of the school parking lot is a *privilege* and is provided for your convenience. Students may park in the school lot if they agree to follow the rules and if they purchase a parking permit. Students are expected to follow directives of the Deans and campus monitors. The rules established for the parking lot are to promote safety for all the students who use the lot whether they are riding a bus or in a car. The school is not responsible for damage to vehicles parked in the lot or for lost or stolen items left in the car.

- Parking permit must be displayed from the rearview mirror in clear view at all times during the school day. The replacement fee for a lost parking hanger is \$5.00.
- **Students are to park in designated parking spaces only. Students shall not park in Visitor, Teacher or Administrative parking spaces. Fire lanes are not to be blocked at any time.**
- **If another car is in your parked in your assigned spot, please take the car's info (make, model color, plate#) and report this info to the Main Office. Do not take someone else's parking space!**

- If a student replaces this vehicle with another vehicle they must report vehicle information changes to the office.
- Students are expected to drive with care in the parking lot and to drive slowly to avoid accidents.
- Any accident in the school parking lot should immediately be reported to the School Resource Police Officer – or Norwood Police Department.
- Cars should be locked. We recommend that valuable items be left at home.
- Vehicles parked on school grounds are subject to search if an administrator has reason to believe that drugs, alcohol, stolen property, or contraband may be present in that vehicle or if there is reason to believe that the vehicle contains an object that may otherwise endanger students and/or personnel.
- **NO REFUND of the \$100 parking permit fee will be given to any student who relinquishes their parking permit for failure to comply with above stated Parking Lot Regulations.**
