## DESE Early Childhood Experience Survey

*If you have an existing Aspen account, this can be completed on the Aspen Portal by completing the Early Childhood Experience DOE050 Workflow.*

The Department of Elementary and Secondary Education (DESE) requires all school districts to report early childhood experience for students in Kindergarten. Please read the definitions and then choose an option from the list below for the year immediately prior to Kindergarten.

### Definitions

**Coordinated Family and Community Engagement (CFCE) Services:** locally based programs serving families with children birth through school age (e.g. parent/child playgroups, parent-child activities).

**Parent Child Home Program (PCHP):** home visiting model program funded through the Department of Early Education and Care.

**Licensed Family Child Care Provider (FCCP):** refers to EEC licensed child care in a group setting in a home. It may include care in the home of a family member, if the provider is both a relative and an EEC licensed child care provider providing care to children from multiple families.

**Center-Based Program (CBP):** refers to care for children in a group setting at an EEC Licensed program, including public and private preschools, Head Start, day care centers, and integrated public preschools. *Little Mustangs Preschool Academy is a CBP.*
