

Be Like Brit Foundation

Be Like Brit is a foundation that supports orphans in Haiti. The foundation was started in memory of Britney Gengel who visited Haiti on a college mission trip.

While in Haiti Britney visited an orphanage and decided she wanted to move there and start her own orphanage. Britney's parents started the Be Like Brit Foundation and built an adoptive orphanage in Grand Goave, Haiti. Currently there are 33 girls and 33 boys living at the orphanage. Their mission is to raise the next generation of leaders in Haiti.

We are asking for donations to be sent to the orphanage. On the back is a suggested list by grade level. However, any donations are always appreciated. The donations will be collected until **Wednesday, February 12th**.

If you have any questions please contact Mrs. Pritchard, Ms. Lang or Ms. Shilo.

Thank you!
Oldham Student Council
