## School Based Flu Clinics for Students and Families

*A new Massachusetts Law states all students in kindergarten through grade 12, whether attending school in-person, or in a hybrid or fully remote model, will be required to receive influenza vaccine for the current season by December 31, 2020 in order to attend school (unless they have a medical or religious exemption).*

To assist families in meeting this mandate Norwood Public Schools Health Services together with CVS, Walgreens, Norwood Pharmacy and the Norwood Department of Public Health will be offering flu vaccine clinics at each of our schools.

- Flu shots will be available to people age 3 and above
- All people under the age of 18 must be accompanied by an adult
- Masks must be worn at all times when visiting the flu clinics. Physical distancing of 6 feet must be followed while at the flu clinic.
- It is not necessary to attend the flu clinic at your child's school. Families may attend any clinic location that is most convenient for them. All family members are welcome.
- There is no cost to receive a flu shot. If available, insurance information must be provided. No one will be turned away due to an inability to pay.

***Registering and having your paperwork completed beforehand will decrease waiting time and allow the pharmacies to bring adequate vaccine to each clinic.***

All the Norwood school nurses hope you will take advantage of these flu clinic opportunities to keep students, families and staff safe and healthy during the COVID-19 pandemic. **Please contact nurse leader Jill Driscoll with any questions at 781-440-5843 or by email at [jdriscoll@norwood.k12.ma.us](mailto:jdriscoll@norwood.k12.ma.us)**

***See next page for flu clinic times and registration links/downloadable forms***
