

McLean Hospital Family Support Series and Open Workshops

Norwood Public Schools is excited to partner with McLean Hospital to this year as part of the School Consultation Service program. As part of our partnership, McLean staff will facilitate four workshops intended to support parents and guardians. The first is this week and is focused on supporting students of all ages in transitioning back to school in the era of Covid. Please see below:

Workshop Title: Getting Back in the Game: Parent Tips for Students Returning to School

Time/Date: Thursday 9/16/2021 12:00 PM-1:30 PM (recorded and made available for 30 days if you cannot attend).

Description: This parent/guardian workshop is open to all Norwood Public Schools guardians PK-12+. It provides strategies to enhance guardians' ability to find the middle path in setting expectations for their children, support their children in facing tough challenges, and help their children effectively manage strong emotions as they begin the new school year.
