

Dear Norwood Families and Staff,

We are pleased to announce that we are partnering with VaxinateRx to offer the two-dose Pfizer COVID-19 vaccination series to our students and staff ages 12 and up during the school day. Students and staff who have already received their first dose of the Pfizer series at another location are welcome to register for either date to receive their second shot as long as there has been at least 3 weeks between doses.

Please see below for clinic dates and times and how to register:

Parent or Guardian signatures are required for any students under the age of 18. Parents/guardians do NOT need to be present, but we do need a paper signed permission slip.

- Please make sure to print and then sign the consent form and have your student bring it to school any time before or on the day of the clinic. If you cannot print out the consent form there are paper copies in the Coakley and High School health offices for your student to take home.
- Your child must have a signed, paper consent form for **each time** they are vaccinated
- All students will be vaccinated free of charge regardless of insurance coverage. If insured, please enter insurance information in the online registration. Once registered online there is no need to bring an insurance card to the clinic.

If you have any further questions please do not hesitate to call your school nurse:
