# Getting Started in the RN to BSN Program

## The Application Process

1. Submit an admissions application with the application fee waived. Please select (NAME OF PARTNER) in drop down from partner list on application.  
(<http://www.tesu.edu/apply>)
2. Submit official copies of transcripts from all regionally accredited colleges/universities attended. These transcripts must be received by the Office of the Registrar in unopened sealed envelopes with signatures across the seals. Remember to include AP exam transcripts from your high school as well (if applicable).
3. Submit copies of your RN license.

If applying for financial aid you must complete:

- FAFSA (<http://www.fafsa.edu.gov>)
- You can also review available Thomas Edison State University Scholarships (<http://www.tesu.edu/tuition/Scholarships.cfm>)

## Next Steps

Once you have applied, Thomas Edison State University will:

1. Evaluate previously earned credit (transfer, licenses/certifications).
2. E-mail you when your Academic Evaluation is available for viewing online via the University's *Online Student Services*.
3. Give you access to *myEdison* (student information portal).
4. Graduate programs (MSN & DNP) will require Graduate Nursing Admissions Committee acceptance.

After applying and receiving your Academic Evaluation, you can begin to plan the completion of your degree. You can:

1. Schedule an appointment with a Nursing Advisor to plan out your degree needs.
2. Identify credit you might earn through online courses with TESU, or through test outs – TECEP, CLEP, DSST.
3. Register for courses.

*If you have any questions throughout the process, you may contact the School of Nursing at (609) 633-6460 to speak to a Nursing Advisor!*

## Student Status

Students are considered enrolled once they have registered for and completed ten (10) days of their first course.

Students will remain active as long as they take three (3) credits per year at the University (by class or TECEP).

- If students become inactive because they have not taken three (3) credits per year, they must complete a new application to become active.
- Re-application changes the student's catalog year and may affect curriculum credit requirements.

## Course Information

We offer **all** Nursing and General Education courses each month!

Course terms are twelve (12) weeks in length.

# Provisional Admission RN-BSN

Begin your BSN *before* you Graduate!!

- Available to senior nursing students or graduates of an RN diploma program or an associate degree in nursing program from a regionally accredited college or university in the United States.
- Allows you to begin your BSN prior to taking NCLEX-RN.
- You may apply to TESU at anytime prior to your nursing school graduation.
- If you are provisionally admitted, you will have one year from the date of provisional admission to obtain RN licensure.
- You may take the first two nursing courses and statistics, ethics and SOS-110 (if needed).
- You have access to the same student privileges as an RN to BSN student.
- After successful completion of the NCLEX-RN and submission of final transcripts, you will be seamlessly transitioned to the RN to BSN program.
- Up to four courses (12 credits) in the BSN degree will count towards your MSN.
