A history of **empowering** adults.

Established in 1972, Thomas Edison State University pioneered the use of technology to develop flexible, high-quality educational programs for self-directed adults. The New York Times called Thomas Edison State University “the college that paved the way for flexibility.” One of New Jersey’s 11 senior public institutions of higher education and one of the oldest institutions in the country designed specifically for adults, the University leads the nation in the assessment of adult learning. Thomas Edison State University is accredited by the Middle States Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104, (267-284-5000).

BSN Degree Program Requirements

The BSN degree program requires a minimum of 120 credits.

General Education
The credit requirement in general education provides the foundation for the Bachelor of Science in Nursing degree. Many of these credits are earned through transfer and prior learning assessment.

Professional Nursing
The nursing requirement includes credit in lower-division and upper-division nursing.

Lower-Division Nursing
The lower-division nursing requirement will be satisfied by transfer credit from an associate degree nursing program or by the award of credit for diploma nursing course work.

Upper-Division Nursing
The upper-division nursing requirement may be completed entirely through online courses offered by the W. Cary Edwards School of Nursing. Three graduate courses will be completed by all RN-BSN degree students and may be applied to the MSN degree. An additional elective may also apply to the MSN.

Electives
Elective credits of college-level course work and examinations that do not duplicate other credits may be used. Additional lower-division nursing courses may be accepted.

MSN Degree Program Requirements

The MSN degree prepares graduates for advanced leadership positions in nursing. The three areas of nursing specialty are:

> Nurse Educator
> Nursing Informatics
> Nursing Administration

A certificate in the selected area of specialty is awarded along with the MSN degree. Visit www.tesu.edu/nursing/msn.cfm.

Graduate Nursing Certificate Programs

The graduate nursing certificate programs are designed for experienced RNs with a master’s in nursing who want to develop the knowledge and skills needed to practice in another area of nursing specialty. The specialties offered are the same as those in the MSN program.

Visit www.tesu.edu/nursing/grad-certificates.cfm.
