

MASTER OF SCIENCE IN ACCOUNTING

(MSA)

WHY OUR PROGRAM?

Our high-quality, affordable Master of Science in Accounting (MSA) program allows you to build the fundamental knowledge you need to succeed within the accounting field. The curriculum includes evaluating legal issues, analyzing accounting data, addressing risk management and learning techniques to resolve complex business issues. Your MSA degree can help you advance in your career and open doors to new opportunities.

To graduate with your MSA and sit for the CPA exam, you must earn a cumulative GPA of 3.0 or higher and be in good standing at TESU.

INVEST IN YOUR MSA. PROFIT FROM YOUR CPA.

The accounting landscape is rapidly changing with the advancement of globalization and the transformation of the nation's practices in the accounting field. There is an increasing need for certified public accountants who are well-versed in accounting standards and understand how to comply with stricter laws and regulations.

Our Master of Science in Accounting (MSA) program is designed to prepare you to become certified public account (CPA). As a graduate, you can fill various accounting and taxation roles in industry, private enterprise and federal, state and local government.

PROGRAM ADVANTAGES

- ▶ All courses are offered online
- ▶ Total of 6 graduate level credits may be transferred to the MSA*
- ▶ The degree is a 30-credit program aligned with the sections of the American Institute of Certified Public Accountants (AICPA)'s Uniform CPA Examinations Blueprints with provides a framework for the CPA Exam

*Transfer credit accepted through evaluation by the dean, School of Business and Management.
