Thomas Edison State University Phi Theta Kappa Scholarships
Terms and Conditions

Thomas Edison State University (TESU) is extremely happy to announce we are offering Phi Theta Kappa (PTK) members transferring from a community college an opportunity to apply for our newly established PTK scholarships. We honor and respect all the hard work PTK students are devoting to their college experience. We welcome all PTK members to apply using our easy application form link below. But first, it is required all students read the terms and conditions in RED.

In addition, the FAFSA can be filed online at fasa.gov using TESU school code: 011648. Even though FAFSA is not the determining factor for consideration, it is highly recommended students apply for FAFSA to determine financial need.

The Financial Aid Department has many valuable tools and information on their website: https://www.tesu.edu/tuition/financial-aid

Scholarships are issued as a tuition credit. We make every effort to apply your scholarship before the tuition deadline; however, if your tuition has already been paid, you will receive a voucher check (sometimes referred to as a “refund”) with the credit balance approximately 45 days after the start of the semester provided that you maintain eligibility. https://www.tesu.edu/current-students/orientation/finances/financial-aid
