

**FERNDALE SCHOOL DISTRICT SEEKS VOLUNTEERS TO WRITE  
“FOR” and “AGAINST” STATEMENTS FOR UPCOMING BOND MEASURE**

Ferndale School District is seeking potential authors for the voter's pamphlet statements supporting and opposing the Ferndale School District bond measure that will appear on the November 6, 2018 ballot.

Election regulations require Ferndale School District to solicit members to serve on “for” and “against” committees who want to write statements for the local voters' pamphlet. Since there is an organized promotional campaign committee, the Ferndale School District Community Bond Task Force, the district has asked that organization to name the three individuals who will serve on the “for” committee.

The district is soliciting members for the “against” committee for the voter's pamphlet. If you would like the district to consider you for appointment to the committee that will be asked to write a statement in opposition, please email your name, mailing address, phone number, and email address to Mark Deebach, [mark.deebach@ferndalesd.org](mailto:mark.deebach@ferndalesd.org), no later than July 20, 2018.

The district expects it will take final action to name the committees officially by July 25th, assuming volunteers step forward by July 20, 2018. Committee written statements are due at the auditor's office no later than 4:30pm on August 13, 2018.

Complete information on the bond measure, including all projects, is available on the district's website at [www.ferndalesd.org](http://www.ferndalesd.org).
