Dear Parents:

Congratulations! Your child is going to Kindergarten this fall. We are sharing information about a summer program you may qualify for - our early Jumpstart Kindergarten-Readiness program.

To find out if your child is eligible for the “Jump Start” Kindergarten-Readiness program fill out this form and return with kindergarten registration paperwork.

The summer Kindergarten-Readiness class is a four-week class. Classes are half day in the A.M. and run alongside the regular summer school schedule. Bus transportation is provided. It will be a small class taught by a certified teacher an assistant.

Space is limited, and will be filled on a first-come basis, so if you’re interested in learning more, please complete this form and return it as soon as possible to the school office, or in the enclosed envelope. If you have any questions, please don’t hesitate to call us at 360-383-9660. Thank You!
