

**Request for Qualifications
Professional Consulting Services in Support of the Ferndale School District
Bond 2019
Ferndale School District No. 502, Ferndale, Washington**

The Ferndale School District is requesting qualifications for professional services from interested firms for various capital projects throughout the District. Qualification information should be submitted on or before 3:00 p.m. Friday, April 5, 2019.

Interested firms with recent experience in the following disciplines are requested to submit qualifications, separately or together:

- **Archeological Consulting**
- **Geotechnical Engineering – Multi-Phased On Site Investigation**
- **Land Surveying – Topographic and Boundary Surveys**
- **Wetland Delineation – Perform a preliminary wetland assessment and delineation survey**
- **Traffic Engineering/Analysis**
- **Environmental/Hazardous Material Consulting**

In order to be considered, interested firms should submit their qualifications statement addressing the following:

- Firm background and qualifications.
- Experience with public school districts
- Public school references with names and phone numbers of contacts.
- Resumes of key individuals providing service, including project specific information.
- Availability to immediately commence work.

The qualifications package shall be sent to the Ferndale School District by PDF electronic format via email only and shall be limited to one, single page cover letter and maximum of ten, one sided (10) 8.5" x 11" pages for each discipline as listed above.

Ferndale School District will review all applicants and select the most qualified firm with which to negotiate a mutually agreeable fee for the anticipated scope of work based on project requirements.

Statement of Qualifications shall be sent to Mr. Mark Deebach, Assistant Superintendent, at mark.deebach@ferndalesd.org. All questions shall be directed to the individual identified above via email.
