What is the Deer Park Booster Organization?

The Deer Park Athletic Boosters is a non-profit organization that provides support for all the sports currently in the Deer Park High School athletic program. The boosters are the main and sometimes only source of support for purchasing uniforms, athletic supplies and equipment, as well as providing awards and scholarships for our athletes.

The Athletic Booster Organization is funded solely through membership fees, concessions, special fundraising events, program sales, and the generous donations from a community that believes that athletics is one of the greatest educational experiences of a lifetime. We team up each year with PTO for football game concessions and our annual golf outing.

Athletic Booster Mission Statement

Support of student athletics will be financially, materially and emotionally. We will support our Coaches and Staff in their endeavors to carry on the Deer Park Wildcats long tradition of academic and athletic excellence. Being an athlete in the Deer Park Schools means being a student first. By supporting our student athletes, we're supporting education and helping shape our youth for the future.

Have some good ideas? Want to hear about all our Deer Park Athletes?

Join us for a Booster Meeting

Booster Meetings are usually the 2nd Monday of each month at the High School @ 6:00pm. The location of the meeting is in the Career Academy conference room. Be sure to check the Deer Park Community City Schools website for time and date changes.

Please note that joining the Boosters does not mean that you will be the only parents that are asked to work Concession, as we ask all parents of athletes to give us a hand.
