I intend to participate in the CCP Program during 2017-2108

I have read the rules of the **College Credit Plus Program**, including but not limited to potential repayment under Ohio Revised Code (ORC). I have received counseling regarding these rules. I accept and agree to abide by them. I understand that my student's participation in CCP is completely dependent upon acceptance as a student at a participating institution of higher education. I also understand that it is the responsibility of the student/parents to apply for acceptance into the participating institution of higher education and to abide by all of that institution's deadlines and requirements regarding the CCP program.
