

# Deer Park Athletic Boosters

8351 Plainfield Road  
Cincinnati, Ohio 45236

## What is the Deer Park Athletic Booster Organization?

The Deer Park Athletic Boosters is a non-profit organization that provides support for all the sports currently in the Deer Park High School athletic program. The boosters help the athletic department by purchasing supplies and equipment, as well as providing awards and scholarships for our athletes.

The Athletic Booster Organization is funded solely through membership fees, concessions, special fundraising events, and the generous donations from a community that believes athletics is one of the greatest educational experiences of a lifetime. We team up each year with PTO for football game concessions and our annual golf outing.

## Athletic Booster Mission Statement

Support of student athletics will be financially, materially and emotionally. We will support our Coaches and Staff in their endeavors to carry on the Deer Park Wildcats long tradition of academic and athletic excellence. Being an athlete in the Deer Park Schools means being a student first. By supporting our student athletes, we're supporting education and helping shape our youth for the future.

## What did Booster Funds Provide for our Athletes in 2017-2018

Gatorade Supplies for all Teams	Senior Banquet	Scholarships
Awards Night Refreshments	Team Meals	Spirit Buses
Senior Night Gifts for all teams	Annual Donation to the Athletic Department
