

## DIY Ways to Support Cove

### **Choose Cove** for celebratory, memorial, or tribute gifts

If the time has come to honor someone you love or someone you have lost, we hope you consider making a gift to The Cove School in their name. Proceeds support our students, and all donations are tax deductible. Along with your donation, an acknowledgement will be sent to the family. For \$25 and over, we will send a special card featuring Cove student photography. Help us celebrate someone in your heart by making their life or memory a part of the Cove community.

### **Create and host events** to support Cove

Cove board members Ross Vangalis and Tai Duncan both asked Facebook followers to celebrate their birthdays by donating to Cove. This gesture raised over \$400 for Cove. Thank you!

Cove board member, Joe Hickey initiated a "Jeans Day" at his office. Every coworker that donated was rewarded with a Jeans Day. This event raised \$625.

### **Fundraise** for the Cove 5K

Cove parent Katie Dempsey saw the 5K as an opportunity to raise money for Cove. She asked friends and family to sponsor her and her Cove student, Ryan. Katie explained, "watching Ryan go around to a few neighbors and explain his 5K was so precious. He wanted to do more, but it was raining. Before coming to Cove, he never would have had the confidence to go speak to them." Their efforts raised \$690.

### **Consider your company** to partner with Cove

Cove parent Lisa Wojtasiak suggested Cove as a recipient of a grant from Argonne National Laboratory. Cove received \$2,000 from Argonne because Lisa advocated for Cove.

### **Select Cove** on AmazonSmile

Cove has received \$1,438 from AmazonSmile. Join this effort by going to [Smile.Amazon.com](https://Smile.Amazon.com), use your Amazon login and select Cove School, Inc. as your charity. Every order makes a difference!

### **Collect** Box Tops

Cove parent Robin Plant has led our efforts to collect Box Tops for Cove. Turn them in at the front desk!
