“EDUCATING CHILDREN
AT A HIGHER LEVEL”

Greetings Noxubee County families,

It is with great excitement and explosive tiger pride that I introduce myself, Mrs. Arrica Smith, as your new assistant principal of Earl Nash Elementary School. Prior to my appointment as assistant principal, I have served as a teacher, educational consultant, and academic school officer.

During my time as a teacher, I introduced a Mathematics Enrichment program for students struggling to advance to the next level. Ninety percent of students did progress to the next level. I am elated at the chance to implement such programs here as well as resources obtained during my tenure as a consultant. I would like you to welcome me as your partner in education to ensure that your child is successful and advanced to face the challenges of society.

I received my bachelor’s degree in Elementary Education from Mississippi University for Women and my master’s degree in Curriculum & Instruction, Common Core State Standards from Concordia University. I am married to Clayton and we have four children: Arian, Caelee, Ariaah, and Clay.

During the remainder of the year, we will continue to focus on district-wide and school-wide initiatives to strengthen and enhance our student’s college and career readiness. As assistant principal, my door is always open and I look for to collaborating with you to ensure that our students become lifelong learners.

In partnership,

Arrica Smith
