*“EDUCATING CHILDREN
AT A HIGHER LEVEL”*

Greetings Noxubee County Citizens,

It is with great pleasure that I introduce myself; I am Lashanda S. Mickens, the new Academic School Officer at B.F. Liddell Middle School under the leadership of Ms. Holli Jenkins. Before my promotion, I was an Exceptional Education School Teacher at Virgil Jones, Jr. Elementary School (Wilson Elementary) and Earl Nash Elementary.

I began my career at Wilson Elementary School in 2005. During my time as an exceptional education teacher, I was able to work with children that needed extra support to become engaged learners. During that time, I learned a lot about school operations and management. The learning made it possible for me to serve in many different capacities. I was a member of the leadership team, where I worked alongside the administrator, teachers, parents, and community leaders to make decisions based on the needs of the students, faculty, staff, and community. I served as the school’s School Testing Coordinator for the 2015-2016 school year. I also served on many other committees to better serve our school and community. I was the teacher of the month throughout the years and teacher of the year for the 2010-2011 school year.

My number one priority as a teacher was the children, and my number one expectation for students was that they become lifelong learners. The priority and expectation have not changed. Now, I can extend my time and effort further than in my classroom. I can reach a school.

I received my Bachelor’s Degree from Mississippi State University, home of the Bulldogs. I am currently getting my Master’s Degree from Belhaven University in School Leadership and Administration. I am the mother of two beautiful children, Ravyn, a Senior at the University of Mississippi, and Jadyne, a Junior at the University of Mississippi.

I look forward to working with the faculty, staff, students, and parents of B.F. Liddell Middle School. I am also looking forward to help bridge the gap between the school, home, and community.

Let’s Go Tigers!

Lashanda S. Mickens
