During the COVID-19 Pandemic

While the Noxubee County School District complies with the State Department of Health and the Centers for Disease Control and Prevention infection control guidelines to prevent the spread of the COVID-19 virus, the Noxubee County School District cannot make any guarantees.

Our staff are symptom-free, to the best of our knowledge, and they have not been exposed to the virus. However, since we have many employees and visitors who come to our school/facilities, other persons could be infected, with or without their knowledge.

In order to reduce the risk of spreading COVID-19, we require that you respond, on behalf of your child, to a number of “screening” questions below. For the safety of our staff, your child and your family, please be truthful and candid in your answers.

Please answer “yes” or “no” along with your initials to the following questions:

Is your child or anyone in your immediate family currently awaiting the results of a COVID-19 test? _____

Does your child have a fever? _____

Does your child have shortness of breath? _____

Does your child have a dry cough? _____

Does your child have a runny nose? _____

Does your child have a sore throat? _____

Does your child have sneezing, watery eyes, and/or sinus pain/pressure that is unusual and not related to seasonal allergies? _____

Has your child experienced headaches, fatigue, or weakness? _____

Has your child lost his/her sense of taste and/or smell? _____

Within the last 14 days, has your child traveled to any foreign country? _____

Within the last 14 days, has your child traveled within the United States? _____

If so, where?
