

# Bishop Stang High School 2018 Athletics Hall of Fame

## KEVIN PHELAN

CLASS OF 1969

Reliable.

Kevin Phelan has always been comfortable in a gymnasium. In the day, he was considered a good old-fashioned gym-rat. At Stang, Kevin played under Coach O'Brien and stood a solid 6'1". He was willing to do the dirty work under the boards on both offense and defense. But, he never feared being under the bright lights and taking the big shot.

Kevin is well-known locally for his consistent, flawless shot. He is a member 1000 Point Club at Bishop Stang and led the Bristol County League in scoring during his senior year. A member of the Bristol County League Championship Team, Kevin averaged 21 points per game.

Kevin's teams at Bishop Stang performed incredibly well taking on much larger schools. His tenacity and his deft scoring touch were invaluable in many Spartan's wins.

In college at SMU (UMass Dartmouth), Kevin still holds the record for most field goals in a game. He was inducted to their Hall of Fame in 2001.

Today, Kevin is a successful attorney, practicing law in Fall River serving as a reliable, tenacious and trusted advocate.
