

Bishop Stang High School 2016 Hall of Honors

Dr. Arthur Buckley

It is difficult to quantify the impact that Dr. Arthur Buckley has had on Bishop Stang High School. He took on the awesome task of building a school, literally from the ground up, where none had been before. Under his leadership, the goal of creating an accessible modern high school that served the broader New Bedford community was a success. The doors to Bishop Stang High School opened in 1959 and graduated its first class in 1963.

Dr. Buckley served as the General Chairman of the original Campaign Committee, and continued to prioritize Bishop Stang's success over the years, serving as Honorary Co-Chairman of the 1994 Campaign. Dr. Buckley's commitment and vision inspired donors to make gifts based on Bishop Stang benefitting the entire community. This idea and the funds raised are quite literally the foundation of our school.
