

Bishop Stang High School 2016 Hall of Honors

Patrick and Lillian Carney & Family

Patrick Carney, Class of 1966, emerged as a leader at Bishop Stang as a student by serving as President of the Student Council. Patrick and Lillian's five children were students at Bishop Stang over 14 years, from 1987 through 2001. Patrick, Kate, Colleen, Michael and Ned were each valued members of their classes and teams, and remain vital, active alumni of the school.

The family has been a great source of counsel, connections and resources for our school. Additionally, the Carneys' firm commitment to Catholic education has greatly impacted the growth and continued success of Bishop Stang High School for many years.
