

Bishop Stang High School 2016 Hall of Honors

Kathryn Crosson

Kathryn Crosson has inspired generations of Bishop Stang students in the science lab for 38 years as a Science teacher and Department Chair. Additionally, Kathy is the President and Founder of a non-profit: Missions for Humanity, dedicating much of her free time away from work to care for some of the world's most vulnerable, in some of the neediest communities. Missions for Humanity provides an opportunity for our local community to live the Gospel. She has planned more than 20 international trips to Honduras, Tanzania and Haiti for hundreds of volunteers and has collected and donated more than \$1 million in medications and supplies. It is for her impressive example of service that we honor Kathy this afternoon.
