Theresa Dougall

Theresa Dougall, Class of 1964, was a member of the second class to graduate from Bishop Stang. A few years later, she returned to Bishop Stang and spent the next 44 years in service to the school as a teacher, coach, department head, Principal and President. Ms. Dougall demanded best effort and had high expectations for students, players and staff. Her influence can be seen in the tradition of students' high academic achievement, as well as the tradition of a strong girls sports program, particularly in Field Hockey. The top female student-athlete is awarded the Theresa Dougall Award each year, as someone who embodies all of the qualities that Ms. Dougall espoused. Her impact on generations of Spartans is immeasurable.
