## School Profile 2018-2019

### History

Bishop Stang High School, located in North Dartmouth, Massachusetts, is a four-year college preparatory school for young men and women. Realizing the need for strong Catholic secondary schools in Southeastern Massachusetts, the Roman Catholic Bishop of the Diocese of Fall River dedicated the original regional Catholic high school in September 1959 and named it after the first Bishop of the Diocese, Bishop William Stang. The school, which will graduate its 57<sup>th</sup> class this year, was originally staffed by the Sisters of Notre Dame de Namur.

### Accreditation

Bishop Stang High School is accredited by the Massachusetts Department of Education and by the New England Association of Schools and Colleges.

### Faculty

Bishop Stang High School is staffed by 63 dedicated professionals. It has a student-teacher ratio of 12:1. Of the 48 faculty members, 77% have credits beyond their Bachelor's Degree, while 63% hold a Master's Degree or credits beyond.

### Student Body

The high school student body of 550 students represents over 34 cities and towns. Students attend Bishop Stang from all over Southeastern Massachusetts, including Cape Cod, and Rhode Island.

### Advanced Placement Results 2017-2018

124 students took 283 Advanced Placement Exams in 2018. 85.5% of AP students earned exam scores of 3 or better. Exams with a score of 3 or higher:

- Score of 3 = 85 exams
- Score of 4 = 96 exams
- Score of 5 = 48 exams

We had 52 AP Scholars with various distinctions named in 2018.

### Scholarships

The class of 2018 was offered more than \$20 million in academic scholarships and grants from colleges and universities.

## **Course Level Descriptions**

### **College Preparatory B**

College Preparatory B level courses are open to students who are having identified difficulties in a certain content area. These courses are characterized by basic learning skills such as reading, note taking, study skills, reinforcement of memory skills, organization, and management of a student's time. Because of these built in supports, more time is spent on developing these learning skills in specific content areas.

### **College Preparatory A**

College Preparatory A level courses are open to students who, because of their ability, have demonstrated learning skills necessary to succeed in College Preparatory courses. The majority of Bishop Stang students are in College Preparatory A level courses. These courses are characterized by detailed content requiring application, analysis, and evaluation of the material presented.

### **Honors**

Honors level courses are characterized by content, which is more extensive and detailed than College Preparatory B and College Preparatory A level courses. The material presented has greater depth, requiring application, analysis, evaluation of the material, and the understanding and use of concepts. Independent research, extensive use of resources, and outside reading are also expected.

### **Advanced Placement**

Advanced Placement courses are highly accelerated courses which are approved by College Board through the AP Audit process. They provide students with the opportunity to pursue college level studies while in secondary school. Advanced Placement (AP) courses are offered in Biology, Chemistry, Physics I, Physics II, Calculus A/B, Calculus B/C, Statistics, English Literature, English Language & Composition, Psychology, U.S. History, European History and Studio Art.
