

Dear parents, alumni, and friends of Bishop Stang High School,

Our 2019 senior class fast approaches a very exciting time of year. Graduation is just around the corner, as is the Senior Prom, which will be held on Friday May 17th, 2019. As you all know, each year after the Prom, the school hosts a safe, fun and memorable "After Prom Party" which the students look forward to and runs until early the next morning within the school building.

One of the highlights of the After-Prom Party is the end of the event raffle. All the students gather in the gym around 4am and celebrate with each other as names are drawn and students win various prizes and gifts. Our goal this year is to ensure that **every** attending BSHS senior leaves the party with a prize. The success of this, however, rests solely on your shoulders! We don't want your child, or any other, to be disappointed and head home emptyhanded.

To make it easier to contribute to this year's raffle we have set up a **Raffle Registry** through Target. All you need to do is click on the link below, find something that you would like to buy on behalf of our seniors from the vast list of items already chosen, and/or contribute a dollar amount to a larger prize. Simple and easy! No fuss, no need to go to the mall and deliver the gift to the school – we take care of everything else. We tried to pick sensible and fun items that we think the kids will enjoy and make use of as they head off to college in the Fall.

If you would rather purchase items on your own we will also be accepting gifts through the school, which can be dropped off at the office as soon as possible.

We really appreciate your generosity and help in making this an After Prom party that all our students will surely remember and cherish.
