

Research shows that students meeting the SAT College & Career Readiness Benchmark score of **1010** have a higher likelihood of being successful in subject-related first-semester college courses. While college readiness and success are dependent upon many factors, this reinforces the importance of an academically rigorous high school program.

Scholastic Aptitude Test (SAT) Score Averages

97% of the BSHS Class of 2019 reported scores. Calculations based on the highest combination of student scores. Results from collegeboard.org.	Evidence-Based Reading & Writing	Math	Combined
