*A Nationally Recognized School of Excellence*

February 13, 2019

Dear Bishop Stang Families:

The Re-Enrollment process at Bishop Stang High School for the 2020-2021 academic school year is designed to give each student the opportunity to participate in the course selection process. Students are strongly encouraged to discuss their courses with their parents/guardians, school counselors, teachers, and department chairpersons with the goal of designing a challenging and personalized college-preparatory program of study that meets graduation requirements, college entrance requirements and career preparation.

Bishop Stang's philosophy is to place all students at the highest level at which they will be sufficiently challenged and can also achieve academic success. We offer a wide variety of courses at multiple levels and strongly encourage parents to discuss course selection questions with their student's school counselor. If students are requesting a level change, they must ensure that they meet all requirements for level advancement found in the [Program of Studies](#).

It is very important that you conduct the registration process carefully and consider the process as a type contractual agreement between you and the school. Staffing, course offerings, and availability of classes are determined by this process. Bishop Stang reserves the right to eliminate any course offered due to insufficient enrollment for the course. Once your son/daughter's schedule is finalized, a copy will be sent home for you to sign and return approving the courses selected.

Visit [bishopstang.org/academics/program-of-studies](http://bishopstang.org/academics/program-of-studies) for the Re-Enrollment and Course Selection process:

1. After reading this overview letter, students and parents should watch the video and review the [2020-21 Program of Studies](#).
2. Pay the re-enrollment fee of \$100 online [here](#) or by check to the Business Office.
3. Log-in to your [ParentsWeb account](#), which will remain open until **Friday, February 28**, to complete course selection. After 2/28, contact your school counselor to make changes.

Students will be contacted by their school counselor if course changes are needed. Thank you and God Bless!

Sincerely,

Mrs. Kathleen Ruginis, Obl.SB  
Assistant Principal of Academics

Mrs. Nicole Dias  
Director of School Counseling
