

Bishop Stang High School

2019 Athletics Hall of Fame

ERIN HOYE

Class of 1991

VALUABLE

Erin played field hockey, basketball and tennis. She embodied hard work and hustle, and was a natural leader on the field and on the court. Erin served as captain, earned Standard Times All-Star status, and was selected Most Valuable Player on all three teams in her senior year. Erin epitomized the true “scholar-athlete” winning the John O’Brien Award in 1991. The quintessential team member that every coach dreams to have on their roster, Erin was an impactful player who made those around her better players and better people. According to teammates, “Nobody worked harder than Erin Hoye. Her hustle was contagious...Erin was the best teammate and friend, supporting each of us on and off the field or court.” After high school, Erin played Division 1 field hockey for 4 years at the College of the Holy Cross. Erin has continued to contribute to the Stang Family, coming back to serve for several years as an assistant field hockey at Stang.
