SISTER TERESA TRAYERS, SND

Sister Teresa served Bishop Stang as a math teacher and guidance counselor from 1975 to 1998. Sister Teresa offered positive support to a generation of students and led the National Honor Society to prominence. As the Sisters of Notre Dame de Namur left the school, Sister Teresa remained, serving as a living link to the Sisters' community. Her commitment ensured Bishop Stang's mission continued to include service to others, and in the spirit of St. Julie Billiart, to "make known the goodness of God."
