The Bishop Stang Annual Fund (2020-2021)

PARENT APPEAL

The Bishop Stang Annual Fund is our most important fundraising effort, with 100% of the donations going directly toward supporting our operating budget. *The Annual Fund* is critical for us to maintain an affordable tuition; enhance our academic programs; provide professional development for teachers; improve our facilities; and advance diverse artistic, athletic and co-curricular opportunities. As a parent, you already know that tuition does not cover the total cost of education each student, and we rely on fundraising to cover the gap. Each year we reach out to the entire Bishop Stang family including over 10,000 alumni, current and former parents, faculty, friends, and local businesses.

Please complete name/contact information on reverse, along with volunteer information.
