

**MENOMINEE INDIAN SCHOOL DISTRICT**

342.2

**TITLE I PROGRAM**

The Menominee Indian School District shall participate in the federal Title I program.

All programs and services provided for Title I students shall be at least comparable to those provided in areas not receiving Title I funds. Also, the District shall ensure equivalency among schools or grade levels within the District in teachers, administrators, auxiliary personnel, curriculum materials and instructional supplies. When determining comparability, the District need not consider unpredictable changes in enrollment or personnel assignments that occur after the beginning of the school year.

The Board of Education recognizes the importance of parent involvement in the Title I program and, therefore, shall provide appropriate opportunities for parents to become involved in the design and implementation of the District's program. Specific activities for parent involvement in the District's Title I program shall be developed. These activities shall be reported quarterly to the Board.
