GUIDELINES FOR SEMESTER EVALUATIONS

Middle School Level

1. All middle school students in regular education classes must complete a final project and/or exam each semester in every course. Each project/exam shall require every student to apply 20% or more of the objectives taught during the semester at the mastery level.
2. Each project/exam must be evaluated by the student(s) and the teacher.

Senior High Level

For senior high students the semester exam shall be weighted at 15% for the final semester grade.
