As part of our Internet program at Menominee Indian School District, student work can be added to our website located at www.misd.k12.wi.us. In order to publish student artwork, writing, or group photos, we need to have the permission of the student's parent/legal guardian or adult student.

These guidelines will be followed:

- No personal information about the students, such as individual pictures, names, home address, email address or phone numbers will be published.
- All student work will appear with a copyright notice prohibiting the copying of students' work without express permission.
- If anyone should request such permission, those requests will be forwarded to the student and his/her parent(s)/guardian(s) or to an adult student.
- The copyright of the work will still belong to the student.
- A copy of all student work that is published on the Internet will be printed and sent home for parent(s)/guardian(s) to see.
