

**MENOMINEE INDIAN SCHOOL DISTRICT**

377-Rule

STUDENT INTERSCHOLASTIC ORGANIZATIONS

Active/Inactive Status

Student organizations shall be authorized only by the Board. The status of each program shall be reviewed by the athletic director and building principal after the first practice and prior to the first interscholastic competition including scrimmages. In order for a program to be considered active, it must have a coach and must meet the minimum number of participants, as outlined below.

The coach shall submit a membership roster to the building principal upon request. The high school principal shall determine the status of each program and report any changes in status to the District Administrator and the Board.

After the initial determination of a program's status, that status shall remain in effect throughout its season unless the number of participants becomes less than the Wisconsin Interscholastic Athletic Association (WIAA) minimum required to field a team. All activities of inactive organizations shall be canceled for the school year and advisors shall be paid on a prorated basis for work already performed related to the activity.
