PROFESSIONAL STAFF CONTRACTS

Written contracts with certified employees are to be given yearly. Contracts shall state the length of time the contract is in force and the total compensation for the contract period. In the event of continuing contract negotiation, compensation shall be the amount on the salary schedule in force. The Board shall approve contracts with certified employees. All certified employees shall present evidence of their certification to the superintendent's office.

The Board may terminate or nonrenew a certified employee's contract in accordance with state law and/or the collective bargaining agreement.

In the event an employee refuses to honor the conditions of this policy, the District Administrator, with Board approval, may engage legal counsel and take appropriate legal action.
