

MENOMINEE INDIAN SCHOOL DISTRICT

672.1

PURCHASING FOR PERSONAL USE

Favorable bidding due to the District's quantity purchasing often allows the District to obtain lower prices for the purchase of supplies, equipment and other items than can be obtained by the general public.

The District shall not, however, permit the purchase of any supplies, equipment, or other items for the personal use of any staff member or other individual through any of the District's accounts under the various established funds.
