Safe Driving Performance Expectations

- 1) Seat belts must be used by driver and all passengers.
- 2) Cell phone use is not allowed while driving. Pull off of the road to a safe location before using a cell phone.
- 3) Radar detectors are not allowed. Use of radar detectors is considered as intent by the driver to circumvent traffic laws.
- 4) Never leave the keys in the vehicles. Never leave materials or inventory in plain view where they will be susceptible to theft or damage. Drivers are responsible for the security of vehicles and cargo.
- 5) Lock an unattended vehicle. Spare keys are to be kept in the office or at your home.
- 6) Observe posted speed limits and rules of the road.
- 7) Be courteous to other drivers and pedestrians.
- 8) Do not use controlled substances or alcohol prior to or when operating a motor vehicle. Be aware of adverse conditions of prescription drugs.
- 9) Only the assigned driver or other company personnel engaged in the course of their employment are permitted to drive company vehicles.

I acknowledge that I have read and will abide by the Safe Driving Performance Expectations.
