STUDENT DISCIPLINE

Sound disciplinary measures shall be maintained in the District. All teachers shall ensure that proper student conduct is maintained in his/her classroom, in the halls, on school premises, on scheduled field trips and during school-sponsored activities.

A positive approach in the disciplinary measures shall be used, taking into account the dignity of the student, the seriousness of the infraction and the need for positive motivation of students.

When a teacher is unable to adequately handle a behavior situation alone, he/she should contact the building principal immediately.

The building principal shall develop appropriate rules to promote desirable student behavior and discipline. These rules, along with state laws relating to student conduct and behavior, shall be distributed to parents/guardians, staff and students when appropriate.

The District shall not discriminate in standards or rules of behavior or disciplinary measures, including suspensions and expulsions, on the basis of sex, race, religion, color, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, physical, mental, emotional or learning disability or handicap. Discrimination complaints shall be processed in accordance with established procedures.
