

**MENOMINEE INDIAN SCHOOL DISTRICT**

453 Rule

TEEN HEALTH CLINIC GUIDELINES

1. The WPH will provide the following services to the students:
  - a. health education;
  - b. pregnancy testing;
  - c. contraceptive information;
  - d. personal health issues.
2. The teen health clinic will be in the student services office area per student request.
3. The teen health clinic will be staffed by a registered nurse, women's Personal Health Director, Women's Personal Health Outreach worker and includes Prenatal Health nurse.
4. Referrals can and will be made from nurse, guidance counselor, social worker, and/or teachers and principals. School nurse will follow up with WPH within 48 hours as to the status of referral.
5. Referrals will be made to the Menominee Tribal Clinic as needed.
6. Condoms will be dispensed only on an individual basis and they will be brought only to that client on a subsequent visit.
7. Questions may be directed to the nurse.
