223

ADMINISTRATOR PROFESSIONAL DEVELOPMENT OPPORTUNITIES

The Board of Education recognizes that its administrators/supervisors can improve their effectiveness by participation in professional conferences, conventions and workshops. Reimbursement shall be made at the authorized District rate for school business-related meetings only.

Each person requesting reimbursement for approved expenses shall submit expense vouchers showing the amount of actual expenses. Expense vouchers of administrators/supervisors shall be signed by the District Administrator or his/her designee.

These activities shall be determined by the current financial status of the District.
