

MENOMINEE INDIAN SCHOOL DISTRICT

341.1

READING INSTRUCTION

The Board supports the following reading goals:

1. A well-coordinated developmental reading program shall be made available for students at all grade levels.
2. Adequate time and effort shall be devoted to instructional in reading as one of the basic skills areas.
3. A variety of learning materials and teaching techniques shall be used to accommodate individual student ability and achievement.
4. Parents/guardians should be involved in home-school cooperative efforts to help each student reach his/her reading potential.

The reading program and student achievement shall be evaluated annually.
