

MENOMINEE INDIAN SCHOOL DISTRICT

345.3 Rule (2)

Homework Responsibilities

Responsibilities of STUDENTS	Responsibilities of PARENTS/GUARDIANS	Responsibilities of TEACHERS
Be aware of all homework assignments before leaving class	Arrange a quiet time and study area.	Plan meaningful homework assignments related to classroom objectives.
Take homework assignments home along with necessary materials.	Expect regular assignments.	Check and review homework with students.
Check on work missed during absences and make-up work on time.	Encourage your child to report progress to you on long-term assignments	Establish a regular routine for assigning homework.
Use agenda for keeping a record of daily assignments.	Help your child to organize his/her papers to return to school the next day.	Give assignments both orally and in writing.
Ask for clarification when assignment is not understood.	Contact your child's teacher if you do not see assignments coming home.	Make clear the weight of grading in homework assignments.
Spend necessary time on homework each night.	Be aware of your child's teacher's homework procedures.	Provide for checkpoints on long-term assignments. (planning backwards).
Use after-school homework club, lunch hour/library and/or homeroom to make-up or work on any homework. (MIMS/MIHS)	Check agenda for homework assignments consistently.	Inform parents when a student repeatedly fails to complete multiple homework assignments.
Turn in assignments on time.	Help the student find the answer, not just get it done.	Communicate with other teachers regarding homework. Administration to monitor via. Common planning time notes.
Check posted grades and be aware of current progress. (MIMS/MIHS)	Let teachers know if your child is struggling with homework assignments.	Keep gradebook updated and post grades a minimum of every other week (A-Day Fridays).
