What's Next For The School Year?

First and foremost, thank you to all of the students, parents, teachers, staff and leaders who have been making the most of a challenging school year.

We continue to assess and adapt based on our COVID dashboard and meetings with our Emergency Pandemic Response Team. Here is the latest update:

- Students will continue with

remote learning, and the use of Distance Learning Support Centers, through the end of the first semester (Jan. 28).

- Starting Monday, Jan. 4, all staff with return to the District and resume their regularly scheduled duties, with the exception of the one day a week we are closed for deep cleaning.

- By the Jan. 18 School Board meeting, we will discuss our recommendations for a potential return to in-person learning and what that would look like for each of our schools.

Please watch for the latest information from your student's school and on our social media.

Superintendent*

Parades Take Teamwork

THANK YOU to everyone who helped make the KPS Holiday Parade a huge success.

Hundreds of students and their family members took part in the parade which spanned a two hour timeframe. More than 400 treat bags, books and art kits were given out.

To make the parade a success, it took incredible organization and teamwork, including those putting together treat bags, people handling traffic, organizing and staffing parade stations, decorating and costumes and those who donated items to the effort. THANK YOU!

Students & families displayed their holiday spirit at the parade.
