To be a bona fide resident, a student must be living with a parent or guardian who is a resident of the district. At the time a student is registered, parents/guardians will be required to provide proof of residency. It's a Class C misdemeanor, punishable by a $500 fine or up to 30 days in jail, to knowingly enroll a child in the wrong school district. Registration of a student who is not a resident is a fraudulent act. Any student found to have been fraudulently registered will be disenrolled from the district immediately. The Board of Education will take legal action against those registrants who fraudulently enroll in District 127.5. A prorated tuition fee will also be charged for the time the student was fraudulently enrolled.
