Please note, families with students in multiple grade levels will be able to pick up all student materials during any grade level pick up day that their student is enrolled in. Families DO NOT have to pick up materials on multiple days. Please limit your group to a maximum of two people when picking up and dropping off supplies to ensure safety for all.

To ensure students, parents, and staff remain safe we are asking that you report to Finley during specific times, maintain distance from others while waiting for your supplies, and limit your group to a maximum of two people. Parents and students should report to the gym doors next to the sports entrance on Lombard Avenue at their assigned time. At pickup and drop off, families will receive all student supplies from lockers, classrooms, etc. that have been pre bagged by our staff in advance.

Please continue to do your best to stay healthy and stay safe as we continue to battle through this pandemic. Feel free to contact a teacher or administrator with any questions that you may have.

Sincerely,

Mr. Youngberg
Principal

Mrs. Bazian
Assistant Principal
