

RABBI PESACH RAYMON YESHIVA

2018–2019 K-4 SCHOOL SUPPLY LIST

PLEASE NOTE

- **Key : J = Judaic Studies, G = General Studies, M = Music**
- **Label** all supplies (except those marked as pooled item) with student's name.
- In grades K-4, students are in separate classrooms for general and Judaic studies and keep their supplies for each subject area in that room. Therefore, please adhere to the supply requests.
- It is a good idea to buy extra, common, consumable school supplies during the summer, when they are on sale, to keep at home for homework, projects, and to refill, as needed, during the school year. [Examples are: pencils, small pencil sharpeners, index cards, highlighters, markers, paper, basic notebooks and folders.]
- Items for specific projects during the year are included in this list. However, it is a good idea to get general project items during the summer, such as oaktag. At the beginning of the year, you may check with the classroom teachers if you should be saving shoeboxes, paper towel rolls, 'Pringle' containers, hangers or other common household items for projects.
