## 2018–2019 GRADES 5-8 SCHOOL SUPPLY LIST

### PLEASE NOTE

- **Key: J = Judaic Studies, G = General Studies, Social Studies (SS), Math (M), Science (S), Language Arts (LA)**
- **Label** all supplies (except those marked as pooled item) with student's name.
- The school **does not** provide planners. All students **are** required to purchase their own.
- Please note: In middle school, students store their materials in their lockers and bring their supplies with them from class to class. Students should purchase an easy to use lock and are required to share their code with the guidance counselor on the first day of school. Students may choose to buy a locker shelf or other items to enhance the inside of the locker. Decorations for outside the locker are not permitted.
- It is a good idea to buy extra, common, consumable school supplies during the summer, when they are on sale, to keep at home for homework, projects and to refill, as needed, during the school year. [Examples are: pencils, small pencil sharpeners, index cards, highlighters, markers, loose-leaf paper, basic notebooks and folders.]
- Although particular project-requested items are listed here, it is also a good idea to purchase common project-needed materials, like oaktag, during the summer. Once school starts, you may check with teachers about whether you will need to save shoeboxes or other common household items for any projects.
